

MARCH FOR HOPE MEGA HEALTH AND WELLNESS EVENT

BOOTH SPACES AVAILABLE!

WHY BECOME AN EXHIBITOR?

- March for Hope has an attendee that is looking to connect with you.
- Whether you are for profit or a non-profit organization, YOU have something to offer to the CSRA.
- March for Hope provides the platform for you to advertise your brand and expand your network.

Expose, Educate, Equip, Empower: Hope!

What is March for Hope?

A community health and wellness initiative to support and enhance community awareness and involvement.

What will I do at March for Hope?

There are multiple options. You can setup a booth to let our attendees know who you are and what you offer while they peruse through the exhibit hall. You can also request to go on stage for 3-5 minutes to highlight your brand. Provide attendees with a brief overview, literature, freebies, and a lasting memory.

Become a sponsor for maximum exposure, which affords you the marketing opportunity to be a part of our event media package, a booth at March for Hope, tickets to our VIP dinner, and a main attraction during our business showcase. No matter what... we guarantee to provide a platform for you to expose your niche.

Why choose March for Hope?

March for Hope is the first mega health and wellness event in the CSRA to focus on all 9-Dimensions of Wellness. The event will be held at Twin Lakes Executive Airport, which bridges Aiken and Edgefield county resources together to have a greater impact on the CSRA. March for Hope is anchored in principles of community, connections, and pillars of sustainability, which draws major attention.

What are the logistics for Exhibitors and Vendors?

March for Hope officially **kicks off at 8:30 a.m.** and ends promptly at noon. Exhibitors set up from 7:00 a.m. - 8:00 a.m. Break down is from 12:00 noon - 1:00 p.m. All exhibitors and vendors must use the following link <https://forms.gle/tAe6Eu9LBDL4kgPW8> to participate in March Hope.

In partnerships with local organizations and businesses in the CSRA
